

Everything Goodwill offers you, in one app.

Refresh is your benefits app. It's on your phone or computer, 24/7, in the language you choose.

**Free****From day one**

You shouldn't need ten logins and a stack of flyers to get help. Refresh puts your pay, your benefits, free support services and Goodwill news in one place, shaped around what matters to you.

Stay in the know

News, the weekly focus, and events you can sign up for in the app.

Find what you need

Your pay, Teladoc and the employee portal.

Get involved

Short weekly challenges, guided quests and quick check-ins.

Earn & celebrate

Points, gift cards, prize drawings and shoutouts for teammates.

Explore resources

Free help with food, rent, prescriptions, money, legal questions, mental health and careers.

Save & discover

A free prescription discount card and member discounts.

Most wellness apps give you articles about money and stress. **Refresh connects you to real help:** a financial coach, a pharmacy discount, a food pantry near you.

Made for you

Choose a wellness focus when you sign up, and Refresh shows the resources and challenges that fit.
